

# YOUR VOICE MAKES A DIFFERENCE

**Act Now.** Attend a Hearing.

**Educate** EVERYONE in your sphere of influence. Each and every one of us can make a difference. Use your VOICE. Take a stand. Tell the city of Phoenix that we NEED our VICE officers. Eliminating the VICE squad means endangering the lives of Women and CHILDREN across the valley.

---

## What do I do?

**Show Up!** Your presence makes a difference. Wear a **RED** shirt to support the Phoenix VICE unit. Fill out a card with your position on it, **“No to Phoenix VICE Officer Lay Offs!”** The City Council will count the cards turned in at the hearings in addition to all the letters and emails received. Simply attending shows the City Council that YOU care.

## What do I say?

*If you want to speak*, fill out the card and check the box that says you *do* wish to speak, turn it in, and then speak for 1-2 minutes on why the Phoenix VICE squad matters to YOU.

**-Offer a personal story.**    **-Tell them Phoenix is becoming a Model City in its response to Prostitution.**  
**-Tell them of the dedication of the officers.**    **-Tell them about the Streetlight Safe House.**

**Tell them about the collaboration of Churches, Marketplace Leaders, Non-Profits, Government Officials and Educational Institutions that is MAKING A DIFFERENCE in the city of Phoenix and beyond!**

It's the responsibility of our State to care for families and to investigate crime. The City Council website says, “As elected officials, they [the members of the City Council] represent and must answer to the people.” Let the City Council know YOUR opinion!

**BE a MODERN DAY Abolitionist. Make your VOICE Heard.**
