

YOUR VOICE MAKES A DIFFERENCE

Act Now.

Educate EVERYONE in your sphere of influence. Each and every one of us can make a difference. Use your VOICE. Take a stand. Tell the city of Phoenix that we NEED our VICE officers. Eliminating the VICE squad means endangering the lives of CHILDREN across the valley.

Why does the VICE Squad matter?

A vice enforcement unit or vice squad is a department in many police forces that investigates public order crimes. This generally includes narcotics, alcohol (including sales to minors), prostitution, pornography and gambling.

**In Phoenix, the VICE unit PRIMARILY
FOCUSES on rescuing women and bringing
Pimps and Johns to JUSTICE.**

Phoenix is **quickly** becoming a **model city**. Cities throughout the United States are starting to notice the work of the Phoenix VICE unit. The VICE officers are our **FRONT LINE** of defense. VICE officers investigate Pimps and collect the data that leads to their prosecution. While community groups can offer safe places for men, women and children who are rescued...WE cannot rescue people ourselves. **WE NEED the VICE to investigate, apprehend criminals and protect victims.** The Phoenix City Council needs to understand the valuable role that the night VICE unit plays in keeping our community safe.

BE a MODERN DAY Abolitionist. Make your VOICE Heard.
